For its enterprise in printing a half column in red ink the Register may be expected to be commended by the Pantagraph as a "Yellow Journal."

The Pantagraph makes a death bed repentance by printing a long article on "slanders" yesterday. Very appropriate in view of their false accusation regarding the CLIMAX. Very appropriate.

Just as his feet were pressing the promised land of earthly victory the great Henry George was stricken down in a night and died, on Friday morning last, throwing into confusion the race for the Mayoralty at Greater New York of which he was the most conspicuous candidate.

The President has issued his proclamation for Thanksgiving, naming the 28th day of this month for all the bene fits we have received as a nation and especially for the return of prosperity, which here at least is only the substance of things hoped for, the evidence of things not seen.—Stanford Journal.

AFTER wearing a Sigma Chi fraternity pin and a "Wanted a Boy" button on the lapel of his coat for several years, ex-President Cleveland is now wearing smiles. Cause:

CLEVELAND.—At Princeton, N. J., Thursday, October 28, 1897, to the wife of ex-President Grover Cleveland, a bouncing baby boy—Grover, Jr.

This is the way Editor Jim Richardson, of the Glasgow Times, flays a Republican candidate:

"Judge do honey, the statesman without a principle, the politician without a record as ring streaked and striped as Esau's cattle after Jacob's rod had done its work, bears down on the present road system of barren county with all the ponderosity of 225 pounds of entrails and wind."

The Stanford Journal pays this merited tribute to a rising young lawyer of Lincoln, who has many warm friends in Madison:

"In the person of Harvey Helm, the Democrats have presented a most worthy and competent young lawyer for County Attorney, who fully fills the Jeffersonian test for office-holders. He is bright, brainy and ambitious and will bring to the discharge of his duty a fund of experience and common sense that will enable him to do so creditably to himself and his constituents. His opponent is a very clever man, but even his best friends do not accuse him of the possession of those qualities necessary to make a successful County Attorney."

Among those papers which have made a gallant fight for Democracy and from whose storehouses of wisdom and learning the CLIMAX has copied many contributions to campaign literature, are here gratefully recorded: The Standard Semi-Weekly Interior-Journal, Louisville Dispatch, Winchester Democrat, Winchester Sun, Mt. Sterling Sentinel-Democrat, Paris Kentuckian, Georgetown Times, Shelbyville News, Lebanon Falcon, Elizabethtown News, Glasgow Times and others. They have held aloft the banner of Democracy, in every instance against violent opposition from their adversaries.

When the value of the country press is justly estimated, and it receives its merited reward, we shall not always be turning to the big dailies for either information or inspiration. On the trips of the papers mentioned above are men able to cope with the best journalists in the South, who cannot be lured from the peace and quiet of the inland home for all the pomp and power of the metropolitan journal.

A Glorious Victory. An Ij-
nominious Defeat.

The battle of the ballots is ended, Republican coquetry is rebuked, and Democracy, re-united, leaps to the vindication of her honor and the reclamation of her own. True to her past, she is too proud to bend the knee to her presumptuous enemy. Whoo! Eliza Jane! Break it gently to the Panty. Go to Coley for your gum shoes.

Democrats carried Kavanaugh, 73 majority, gain of 32 over last year. Republicans carried Blue Lick, 133 majority. Democratic gain of about 60. Republican majority in City Hall, 75. Republican loss about 42. Burnam gives 15 Democratic.

City Council, Claude Smith Mayor, Carse, Prentiss and McCann, Republicans; Ballard, Maupin and Pickels, Democrats.

School Trustees, all Democrats, Mitchell, 380 majority; Dr. Evans 60; Coyne no opposition.

Average Democratic majority in Court-House 20.

Waco, Republican majority 26.

Berea, Republican majority 144.

University, Democratic Majority 100.

Poosy, Republican majority 81.

Clemant, average Republican majority 15.

White Hall, Democratic majority 74.

Tevis, Democratic 30.

The result in Richmond is the only consolation to the Republicans, who elect the Mayor and three of six Councilmen.

Mr. Claude Smith, the new Mayor, despite his politics, is one of our best citizens, a man of incorruptible character, and has the confidence of all his fellowmen.

Mr. Coley Wallace lead his ticket. The new Council, with due respect to the defeated, is an excellent body of men.

Chairman Chenault claims the entire Democratic ticket for county offices carries the city and county, by probably 75 majority. Chairman Wallace concedes the defeat of the Republican ticket.

Shackelford carries Madison and the State. Democrats elect Weaver Mayor of Louisville.

Those who have watched this campaign have not failed to observe the clearing work of Chairman John B. Chenault. Faithful to the party, entirely harmonious with the Sound Money element, and courteous to the Republicans, Mr. Chenault may be justly proud of the glorious victory that his party under his management has achieved. Mr. Wallace frankly assigns Republican de-

LaGrippe,

Followed by Heart Disease, Cured by
DR. MILES' HEART CURE.

Mr. C. C. SULLIVAN, of Winchester, Iowa, inventor and manufacturer of Shultz Safety Whistle-Cup, writes of Dr. Miles' Heart Cure. "Two years ago an attack of LaGrippe left me with a weak heart. I had run down in flesh to mere skin and bone. I could not sleep lying down for another year. Frequent sharp darting pains and palpitation caused a constant fear of sudden death, nothing could induce me to remain away from home or ride. My local physician prescribed Dr. Miles' Heart Cure and in a few days I was able to sleep well and the pains gradually lessened, and finally ceased. I reduced the size of my chest, gained fifteen pounds, and am now feeling better in every way than I have for years."

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle free or money refunded. Book on diseases of the heart and nervous system. Address: DR. MILES MEDICAL CO., Elkhart, Ind.

Test to the superb generalship of John B. Chenault.

At a late hour it is claimed that Patrick Henry Sullivan is elected County Judge over Waller Bennett by 75 majority, with the full county ticket at his back.

What's the matter with Foxtown? She's all right.

That lag of money from Lexington didn't declare a dividend.

Democracy failed to do its whole duty when it flickered in its support of the city ticket. No one regrets this more than the CLIMAX, which fought to the last for the straight ticket.

Ain't Jeff Mitchell a runner? His first heat was when he beat Speed Smith for Mayor a dozen years ago. Without any training he beats Bob Burnam out of his socks for School Trustee. 280 majority. Mitchell best. R. E. B. also!

State elections were held in the ten States of Ohio, Iowa, Kentucky, Nebraska, New York, Maryland, Massachusetts, Pennsylvania and Virginia. In Ohio, Iowa, Massachusetts and Virginia full State tickets were voted for. In the others only Judges or subordinate State officers and members of the Legislature.

The great fight in Ohio is over the Legislature, but in all the results of national importance, because the adherents of the Chicago platform have reiterated their faith in the doctrines laid down in that instrument.

A SIGHTING on the Constitutional Amendment voted upon yesterday is given here by the Winchester Democrat:

"Very few papers except those of Louisville are supporting the proposed Constitutional Amendment. Most of them take the proper view, that all property in city and county should be taxed alike. Suppose the amendment should carry and a Council elected in the city of Winchester that should say that the banks might pay a license of one thousand dollars each, when their taxes under the present in that would be three thousand dollars, does it not follow that the deficit must be filled by increased taxation on the part of others? We cannot afford to vote for it!"

Gloomy, Hopeless Life

Internal Pains—Lame, Tired, Nervous—Every Bad Symptom Cured by
Hood's Sarsaparilla.

For nearly five years I suffered with a severe case of stomach trouble. I had pains in my stomach and bowels so that I could not stand or work without great suffering. My appetite was very poor and when I did eat anything I was shortly afterwards seized with vomiting spells. I could not rest at night and felt lame and tired all over. I became nervous and had no energy whatever. My life seemed gloomy and hopeless. My husband advised me to take Hood's Sarsaparilla, as he had been taking it with great benefit. I began taking it and the first bottle did me a great deal of good. I continued with it regularly and have now almost fully regained my natural weight and am doing nearly all my household work."

Mrs. RINDA CROCKER, Gladstone, Ala.

"My blood was out of order and I had no energy. After taking two bottles of Hood's Sarsaparilla I felt better than for a year." MARION W. SMITH, Collinsville, Alabama.

Hood's Sarsaparilla is sold by druggists. \$1.50 for \$5. Be sure to get Hood's.

This campaign, advised, aided, or supplied us with any literature, arguments or encouragement whatsoever. Therefore, that paragraph is not political; is not neighborly; is not kind. It is simply a lie much as we dislike to use such language.
